01 PROFILE

Versatile professional aiming to bridge the worlds of design, cloud engineering, and web development. With a foundation in design creativity, cloud infrastructure management, and web development proficiency, I aspire to contribute my skills in a dynamic role. Committed to crafting visually appealing, technologically robust, and user-centric solutions, I seek to collaborate on projects that push boundaries and deliver exceptional results.

02 EMPLOYMENT HISTORY

Jan 2023 — Present

Manchester

Web Developer / Cloud Engineer at Winston Smith

- Developed and maintained web applications using HTML, CSS, JavaScript, and jQuery.
